1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 3, "amended" has been changed to "presented".

2. Claims 1-10 are allowed.

3. The following is an examiner's statement of reasons for allowance:

Claims 1-9 are allowed because the prior art of record fails to teach, disclose, or fairly suggest a method of treating a liquid or a slurry of a liquid with ultrasonic energy comprising feeding a medium between first and second members, generating pulses through first and second members by first and second vibrating devices, forming imploding bubbles in the medium, wherein the members and vibrating devices are arranged as recited in instant claim 1, and the bubbles have a critical diameter so as to prevent imploding bubbles from being disposed in gaps between the members and vibrating devices as recited in instant claim 1.

Claim 10 is allowed because the prior art of record fails to teach, disclose, or fairly suggest a method of treating a medium with ultrasonic energy comprising feeding the medium between first and second movable endless members, generating pulses through the members by first and second ultrasonic transducers arranged as recited in the claim, and forming imploding bubbles in the medium between the members, wherein
